Theatre Report May 2008 - April 2009

We've had another wonderful year. Many thanks to all of our members who have come out faithfully to support our shows; and for bringing with them friends and relatives who might not have come otherwise! Something new this past year! We were very pleased to have had a display ad in the Pennywise which came out in September 08' outlining our upcoming season at a glance. Not everything worked according to plan (ie: Gary and I never did do ACT II of Harvest) and we added Coco Love Alcorn to the line up at the last minute; but on the whole we were pleased with being able to present you all with a snapshot view of our 08/09 season. We hope to be able to do this each year from now on. Marianne Johnstone and I are in the process of lining up artists for our 09/10 season. We have to see who is available, make a game plan, apply for funding from the BC Touring Council and cross our fingers. But rest assured; we will do our best at bringing you a variety of Canadian artists who are bound to entertain you; after all; that's the goal; to provide Kaslo & area residents with high quality entertainment right here in our own back yard. Thanks again for your support.
